2012 Edition of the Minimum Documentation Requirements for Pay Item Approvals and Material Acceptance (Documentation Guide)

This construction advisory serves as notification that the Construction Field Services (CFS) Division has completed revisions to the Documentation Guide that reflect acceptance changes per the 2012 Standard Specifications for Construction. This documentation guide provides uniform guidance on the administration of the standard specifications for construction on federal and state funded construction projects.

This document is available on the MDOT website at the following address:
http://www.michigan.gov/documents/mdot/MDOT_DocumentationGuide_328761_7.pdf

Please share this construction advisory with consultants and local agencies within your jurisdiction, as well as your Transportation Service Center staff.
