Street Administrators  
Board of County Road Commissioners

The fiscal year 2015 budget (Public Act 252 of 2014 article XVII section 120), included one-time funding of \$144.5 million of General Fund for the state and local road and bridge program. This act specifies that these General Funds shall be distributed to the Counties, Cities/Villages and the State Trunkline Fund based on Public Act 51 of 1951 distribution formula.

These General Funds will be made available to MDOT for distribution in four equal quarterly allotments. The Financial Operations Division will distribute these funds each quarter along with the regular monthly MTF distribution.

On approximately November 5<sup>th</sup>, February 4<sup>th</sup>, May 5<sup>th</sup>, and August 5<sup>th</sup>, one quarter of each local road agency's share will be distributed. Enclosed is a spreadsheet showing an estimate of the total General Fund each local road agency will receive in fiscal year 2015. MDOT's share will also be distributed to the State Trunkline Fund each quarter on the same dates. In addition, we have enclosed a Frequently Asked Questions document to assist with some inquiries you may have.

If you have any questions or need further information, please contact me at [TimpfE@michigan.gov](mailto:TimpfE@michigan.gov) or Lori Cole at 517-335-2556 or Mary Cumberworth at 517-241-3178.

Sincerely,

Edward A. Timpf, Administrator

## **Public Act 252 of 2014 – Frequently Asked Questions**

### **What is the Funding?**

Public Act 252 of 2014 appropriated an additional \$144,500,000 of State of Michigan General Fund monies to be distributed to Act 51 eligible road agencies.

### **When will I get the funds?**

The funds will be received in four installments on approximately November 5, 2014; February 4, 2015; May 5, 2015 and August 5, 2015 and will be included with the monthly Act 51 Michigan Transportation Fund (MTF) payments on those dates.

### **Are these distributions part of my Michigan Transportation Fund?**

No, however these funds are restricted for transportation purposes and should be deposited into your major or primary, and/or local street funds. The source of these funds is the State of Michigan's General Fund and is therefore not Act 51 MTF.

**These funds need to be reported as "Other" under the category of State Grants/State Sources on the Revenue page of your Annual Financial Report of Act 51 Funds.**

### **Do I have to put these funds into my road funds in the same percentage as MTF funds?**

No, these funds are not restricted to primary or local; or major or local; they can be expended as needed between the road classifications.

### **When do I report these funds?**

These funds are not accrued or earned like MTF funds. They should be reported as income on the date received. If these funds cross your fiscal years, be sure the General Fund portion is reported in the correct year.

### **How much does each local agency receive?**

Attached is the report of estimated amounts for each local agency.
