Q1. Our Company plans to submit on two CE submittals (Req Nos. 628 & 649) to the Taylor TSC, both of which are due in June. The submittal RFPs note to send the proposal to your attention via snail mail. Per the May 3 Consultant Advisory, all Department submittals should be submitted in electronic format starting June, 2011.

With this notation in mind, what is the correct format for submitting on the CE submittals?

A1. Please submit proposals per the direction on the RFP form 5100H, which in this case would be via mail.
