

DBE Aeronautic Contracts

*November 8, 2010
2010 DBE Conference*

How does DBE fit in with the FAA Block Grant program?

- Block Grant States (10 states total):
Illinois, Missouri, Michigan, Wisconsin, etc.
- State is responsible for the DBE program at non-primary airports
- May submit single overall goal covering all non-primary airport contracts funded by the block grant during a fiscal year
- Some states (Michigan) also prepare Part 26 goals for primary airports – must submit individual goals for each primary airport

Race Conscious vs Race Neutral

- **RACE CONSCIOUS** DBE PARTICIPATION - A Race -Conscious measure or program is one that is focused specifically on assisting only DBEs, including Women -Owned DBEs
- **RACE NEUTRAL** DBE PARTICIPATION - A Race Neutral measure or program is one that is, or can be, used to assist all Small Businesses or increase opportunities for all Small Businesses

2010 Goal = 7.0%

Disadvantaged Business Enterprise (DBE)

The overall goal of the DBE program is to ensure that firms owned and controlled by minorities, women, and other socially and economically disadvantaged persons have the opportunity to grow and become self-sufficient.
