Welcome

Welcome to the Michigan Unified Certification Program (MUCP) website. This site provides a searchable directory of all current Michigan Disadvantaged Business Enterprise (DBE) certified firms. We have forms, applications, news, current events, other important websites, and information to help businesses working in Michigan.

The purpose of the MUCP is to provide "one-stop shopping" for everyone seeking to be certified. The MUCP makes decisions on behalf of all businesses in the state of Michigan that want to be certified DBEs and represents all USDOT funded agencies with DBE programs. In other words, firms certified as DBE's with the MUCP are eligible to work on any federally-funded airport, highway or transit contract, as a DBE.
