

Design Update 2009-2
2/18/09

1) Name of Engineer of Development on the title sheet

All projects with an April 1st or beyond let date need to remove John Polasek's name from the Engineer of Development line, just leave it blank. A new cell is available with this modification. We will notify you thru a design update when a name is required. If you have already submitted a project for let, do no worry about changing the name.

2) If you know of new people in your TSC or Region that are not receiving this update that should, please let me (Gary Mazurek) know so they can be added to my list.
