Where to Ride

On the Road:
Bicycles are permitted on all Michigan highways and roads EXCEPT limited access freeways or unless otherwise posted. Bicycles are allowed on all road systems including those in state forests, state parks, national forests and national parks.

State Parks:
Bicycles are currently allowed on all paved and non-paved roads in Michigan state parks. Bicycles may also be ridden on designated bike paths. Mountain bikes are allowed only on trails designated for bicycle use. For general recreation questions, please call 517-284-7275 or e-mail DNR-ParksAndRecreation@Michigan.gov www.Michigan.gov/DNR

State Forests:
Bicycles are allowed on most state forest trails. For general recreation questions, please e-mail DNR-ParksAndRecreation@Michigan.gov or call the Michigan Department of Natural Resources, Parks and Recreation Division at 517-284-7275 (517-284-PARK). www.Michigan.gov/DNR

Ottawa National Forest:
Besides wilderness and specifically designated hiker only trails (including the North Country Trail), the entire forest is open to mountain bikes. This includes closed, gated and blocked roads, unless the road is specifically closed to bicycles. Contact the U.S. Forest Service at 906-932-1330 for more information.

Wilderness Areas:
Bicycles are considered to be mechanical devices and are therefore prohibited in National Wilderness Areas.

North Country Scenic Trail:
The entire North Country Trail is open to hiking, however, only portions are open to mountain biking. North Country Trail Association at 616-897-5987 or toll-free at 866-445-3628. Bikes are NOT allowed on the NCT in the Ottawa National Forest. www.northcountrytrail.org

Local Trail Systems:
Many communities have developed their own trail systems. Rules and regulations vary by each individual trail and community. Contact the appropriate jurisdiction for more information

Bikes and State Law

Rights and Responsibilities
In general, bicyclists on public roadways have the same rights and responsibilities as motor vehicle drivers and are subject to the same state laws and local ordinances. For everyone's safety, observe these bicycling rules and safety tips.

Ride with Traffic
Motorists are not looking for bicyclists riding on the wrong side of the road. State law requires bicyclists to ride with the flow of traffic.

Ride as Far to the Right as Practicable
Bicyclists should keep as far to the right as practicable, moving left to avoid hazards and to position themselves in the appropriate designated through or turn lanes.

Ride Only Two Aboard
No more than two bicyclists should ride side by side in a public roadway.

Use Lights and Reflectors at Night
State law requires a white light visible for 500 feet and a red reflector visible for 600 feet at night. A flashing red light is recommended. More reflectors and stronger lights make you more visible.

Always Yield to Other, Slower Trail Users
When operating on a shared use trail or sidewalk, bicyclists must yield the right of way to pedestrians and shall give an audible signal before overtaking and passing a pedestrian. When overtaking, announce your intentions by saying "passing on your left" or ringing your bell.

Use Hand Signals
Hand signals tell pedestrians and motorists what you intend to do. It is state law that you use signals.

Carrying Items
If you plan on carrying any packages, bundles or objects, you must be able to keep both hands on the handlebars. A variety of racks, packs and trailers can be fitted to your bicycle to transport goods.
