1	I normally travel Wattles/17 Mile, Mound, 18 1/2 Mile, M-53 to 26 Mile. With M-53 being closed due to repair there are NO posted detour signs. This week has been a complete disaster trying to get home from work. Normally it takes me about 50 minutes to get home, this week nothing less than a hour and a half. Completely unacceptable. To make matters worse is Rochester Hills. I tried taking a different way home. Dequindre is Closed at Avon, can't go north. So I take Avon, which is closed west of John R. Tienken is closed. 25 mile is closed. Do either the County Road Commissions or MDOT actually speak to each other when planning road closures? How can the detour routes be closed?	8/7/2014 9:52 AM
2	No advisories of side road closures/delays for Woodward Ave. construction in Downtown Detroit. Grand River at Woodward was closed for brief periods of time without notification.	8/6/2014 4:33 PM
