

Dear Certified DBE:

I am contacting you because White/Olson Construction LLC. is the construction manager for the Port Authority Terminal Facility in Detroit, MI. The project consists of a 2-story, 22,000 SF core and shell building located near the Detroit River just west of the Renaissance Center.

The project is scheduled to be out for bid in May/June of 2008, start construction in June/July 2008 and be completed in one year July 2009.

One of the goals of this project is to reach or exceed 10% DBE contract awards. Rachel Sommers, Estimator has contact me for assistance in reaching out to the DBE subcontractor community.

Please call or contact the following estimator only if you are ready, willing and able to bid on this project.
