

As needed inspection and testing for statewide pavement coring Requisition 1031

QA1

10/31/2012

Q: In preparing our proposal for the 2013 On-call Statewide Pavement Coring should we include the consultant bid sheet as one of the 3 pages or is this sheet considered an MDOT form and not counted toward the total?

A: **The consultant bid sheet is considered a general form to be included with your proposal and is not included with the three sheet limit.**
