

**As-Needed Testing and Inspection Services for Detroit TSC, Metro Region
Req # 1046**

Q&A 1

October 25, 2012

Q1. The scope shows a construction cost of \$76,000,000.00 and an As-Needed services cost of \$99,000.00. Was this RFP intended to be a Tier 3 Selection?

A1. Please disregard the “Estimated Project Cost” information included in the Scope of Services. This information is and was included in error. This RFP is for Tier 1 Selection as shown on Form 5100B.

Q2. Page 2 of 10 of the RFP states “Please provide qualifications and resumes ...”, however, the Form 5100B states “No Resumes” under Tier 1 Selection. Should proposers include resumes?

A2. No, resumes are not to be included. The language on page 2 is in error and should read “Please provide qualifications for ...”.
