

Construction Services for the International Bridge Administration Plaza Redevelopment–
Requisition #1151

QA1 03/12/2013

Q: We are interested in the RFP and are wondering if plans are available for us to review to help with the development of our proposal. I could not find any plans on the MDOT letting site. Is there a PDF available or are the plans available for viewing at the IBA?

A: Plans will be available on the MDOT letting site on March 22, 2013.
