

REVISED "As Needed" construction services to update MDOT's records of bridge underclearance measurements.

Requisition 1777

QA1

6/25/15

Question #1 - Are bid sheets to be included in the bid submission? On page 2 of the Form 5100B it states "Bid Sheet(s) are located at the end of the Scope of Services", but there are no bid sheets in the document provided on the MDOT website.

Answer #1 - Bid sheets are not applicable to a QBS selection, and therefore, not required.
