

Full CE Services-Grand Region QA1
Requisition #1882
11/9/2015

Q: For the subject full construction engineering project, the RFP indicates a secondary prequal requirement of Construction Testing – HMA. Is this correct, or was the intent for the classification to be Construction Inspection – HMA Pavement?

A: The intent was for this classification to be Construction Inspection – HMA Pavement. The RFP has been revised and the due date has been adjusted to 12/7/2015.
