

**Bridge painting inspection services for the north tower of the Mackinac Bridge QA1**  
**Requisition 2097**  
**11/7/2016**

Q - In the Consultant Criteria section, Item no. 5, on page 2 of 11 of the RFP, please clarify what specific training MDOT MBA is referring to. Do you mean U.S. DOT regulation 49 CFR 172.704 Subpart H, also known as HM -181, a U.S. Department of Transportation (DOT) training is for individuals who handle, manage, transport, or ship hazardous materials/hazardous waste?

A –Yes. HM 181 training is one way of meeting the requirements.
