

**As needed Inspection and Testing Services REQ 744 QA1
10/26/2011**

Q) Are plans/proposal for the Job Numbers listed in the RFP available for review? If so, they would be very helpful to us in developing our understanding of the service being requested.

A) The Job numbers for RFP #744 in the Kalamazoo TSC are control sections 03023, 03024, 03111, Various and Job numbers 90028A, 112213A, 113363A, 89306A, 100217A, Various.

There are currently no plans for the above control sections or job numbers but a description of the work is performing inspecting/testing of Road work, bridge work, sewer work, water main work, etc in Allegan County and other areas as determined by the Engineer.
