

**As needed Inspection and Testing for various locations throughout the Southwest Region QA1
Requisition #771
12/6/2011**

Q) Are plans/proposal for the Job Numbers listed in the RFP available for review? If so, they would be very helpful to us in developing our understanding of the service being requested.

A) The current Job numbers for RFP #771 in the Kalamazoo TSC are control sections 03032, 03034, 03035, and Various and Job numbers 103152A, 109738A, 111983A, and Various. There are some plans for the above control sections or job numbers at the Kalamazoo TSC, please contact the MDOT Project Engineer to set up at time to review.
