

**Feasibility study of bridge alternatives for Movable Span Bridge in Bay City QA1
11/26/2012 Requisition 1071**

Q - Can the 2012 detailed inspection report for the Lafayette bascule bridge be made available?

A – Yes. The report is available on the MDOT ftp site. Please contact Linda Reed at reedl@michigan.gov for instructions on how to access. Please note: Consultants may not release any information about the bridge or the inspection report to anyone outside of their firm, their sub-consultants firm, or MDOT. Failure to abide by this stipulation could result in penalties as a result of the Homeland Security Act.
