

**Development of alternatives for the replacement, repair, strengthening, and/or stabilization
of retaining wall on M-10 in the city of Detroit QA3**

Requisition #1307

8/12/2013

- Q. Is it acceptable for the prime to sub-contract work that is designated as a primary prequalification?
- A. **Yes, as long as the sub-contracted firm is prequalified for the service. However, the Prime consultant must be prequalified in all Primary classifications listed in the Request for Proposal.**
