

**Design Services for roadway reconstruction and widening – Kalamazoo County QA1**

**Requisition #2023**

**7/18/2016**

**(Q)** The RFP has reference to costs for both Contract 4 and Contract 5. Would MDOT expect two separate bid packages for construction to be prepared? Or one single package for the entire project?

**(A)** One single package for the entire project is expected.

**(Q)** Can the existing plans be made available for review?

**(A)** The existing plans are posted on MDOT's FTP site at the following location:
