3 pages (MDOT Forms not counted) (No Resumes)	7 pages (MDOT Forms not counted)	19 pages (MDOT Forms not counted)	Total maximum pages for RFP not including key personnel resumes	

The Michigan Department of Transportation (MDOT) is seeking professional services for the project contained in the attached scope of services.

If your firm is interested in providing services, please indicate your interest by submitting a Proposal, Proposal/Bid Sheet or Bid Sheet as indicated below. The documents must be submitted in accordance with the latest "Consultant/Vendor Selection Guidelines for Service Contracts" and "Guideline for Completing a Low Bid Sheet(s)", if a low bid is involved as part of the selection process. **Referenced Guidelines are available on MDOT's website under Doing Business > Vendor/Consultant Services > Vendor/Consultant Selections.**

RFP SPECIFIC INFORMATION

BUREAU OF HIGHWAYS

BUREAU OF TRANSPORTATION PLANNING **

OTHER

THE SERVICE WAS POSTED ON THE ANTICIPATED QUARTERLY REQUESTS FOR PROPOSALS

NO

YES

DATED _____

THROUGH _____

Prequalified Services – See page ___ of the attached Scope of Services for required Prequalification Classifications.

Non-Prequalified Services - If selected, the vendor must make sure that current financial information, including labor rates, overhead computations, and financial statements, if overhead is not audited, is on file with MDOT's Office of Commission Audits. This information must be on file for the prime vendor and all sub vendors so that the contract will not be delayed. **(Form 5100J Required with Proposal)**

Qualifications Based Selection – Use Consultant/Vendor Selection Guidelines

For all Qualifications Based Selections, the section team will review the information submitted and will select the firm considered most qualified to perform the services based on the proposals. The selected vendor will be contacted to confirm capacity. Upon confirmation, that firm will be asked to prepare a priced proposal. Negotiations will be conducted with the firm selected.

****For RFP's that originate in Bureau of Transportation Planning only**, a priced proposal must be submitted at the same time as, but separate from, the proposal. Submit directly to the Contract Administrator/Selection Specialist, Bureau of Transportation Planning **(see address list, page 2)**. The priced proposal must be submitted in a sealed envelope, clearly marked **"PRICE PROPOSAL."** The vendor's name and return address **MUST** be on the front of the envelope. The priced proposal will only be opened for the highest scoring proposal. Unopened priced proposals will be returned to the unselected vendor(s). Failure to comply with this procedure may result in your priced proposal being opened erroneously by the mail room.

For a cost plus fixed fee contract, the selected vendor must have a cost accounting system to support a cost plus fixed fee contract. This type of system has a job-order cost accounting system for the recording and accumulation of costs incurred under its contracts. Each project is assigned a job number so that costs may be segregated and accumulated in the vendor's job-order accounting system.

Qualifications Review / Low Bid - Use Consultant/Vendor Selection Guidelines. See Bid Sheet Instructions for additional information.

For Qualification Review/Low Bid selections, the selection team will review the proposals submitted and post the date of the bid opening on the MDOT website. The notification will be posted at least two business days prior to the bid opening. Only bids from vendors that meet proposal requirements will be opened. The vendor with the lowest bid will be selected. The selected vendor may be contacted to confirm capacity.

Best Value - Use Consultant/Vendor Selection Guidelines. See Bid Sheet Instructions below for additional information. The bid amount is a component of the total proposal score, not the determining factor of the selection.

Low Bid (no qualifications review required - no proposal required.) See Bid Sheet Instructions below for additional instructions.

BID SHEET INSTRUCTIONS

A bid sheet(s) must be submitted in accordance with the "Guideline for Completing a Low Bid Sheet(s)" (available on MDOT's website). The Bid Sheet(s) is located at the end of the Scope of Services. Submit bid sheet(s) separate from the proposal, to the address indicated below. The bid sheet(s) must be submitted in a sealed manila envelope, clearly marked **"SEALED BID."** The vendor's name and return address **MUST** be on the front of the envelope. Failure to comply with this procedure may result in your bid being opened erroneously by the mail room and the bid being rejected from consideration.

GENERAL INFORMATION

Any questions relative to the scope of services must be submitted by e-mail to the MDOT Project Manager. Questions must be received by the Project Manager at least four (4) working days prior to the due date and time specified above. All questions and answers will be placed on the MDOT website as soon as possible after receipt of the questions, and at least three (3) days prior to the RFP due date deadline. The names of vendors submitting questions will not be disclosed.

MDOT is an equal opportunity employer and MDOT DBE firms are encouraged to apply. The participating DBE firm, as currently certified by MDOT’s Office of Equal Opportunity, shall be listed in the Proposal

The following two American Recovery and Reinvestment Act of 2009 (ARRA) notifications, **ARRA MONTHLY EMPLOYMENT REPORTS** and **REQUIRED CONTRACT PROVISIONS TO IMPLEMENT AMERICAN RECOVERY AND REINVESTMENT ACT (ARRA) SECTIONS 902 AND 1515**, are attached to this Request For Proposal for your understanding. These two notifications are only applicable for those projects/contracts funded with ARRA funds and will be included in contract Exhibits.

- 5100D** – Request for Proposal Cover Sheet
- 5100G** – Certification of Availability of Key Personnel
- 5100I** – Conflict of Interest Statement
- 5100J** - Consultant Data and Signature Sheet (Required only for Non-Prequalified Work)

(These forms are not included in the proposal maximum page count.)

Michigan Department of Transportation

**SCOPE OF SERVICE
FOR
DESIGN SERVICES
Revised as of 4/11/11**

CONTROL SECTION(S): B03 of 73112

JOB NUMBER(S): 105176D

PROJECT LOCATION: The project is located on the Zilwaukee Bridge - I-75 over the Saginaw River, M-13 & GTW Rail Road in the city of Zilwaukee, Buena Vista and Zilwaukee townships.

DESCRIPTION OF WORK:

Design services involves reviewing the design for the replacement of the bearings located at both the expansion joints and on the piers and making any recommended changes to the design. The Consultant shall have the following responsibilities for “Design Services”.

- A. Attend the project meetings as required.
- B. Review the design for the replacement of the bearings. This will include reviewing contract drawings, specifications and design calculations.
- C. Review of the in depth inspection reports of the Zilwaukee bridge and other pertinent information regarding the existing condition of the structure.
- D. Review the shop drawings, inspect the bearings fabricated for CS 73112 – JN 88349 and perform field review of the existing bridge conditions with MDOT staff.
- E. Review construction and inspection records for CS 73112 – JN 88349 and original shop drawings to determine location of existing strand tendons and segment reinforcement.
- F. Making recommended changes to the design and or plan package.
- G. Make recommendations of non-destructive testing methods for determining existing strand tendon and segment reinforcement locations.
- H. Construction Services will be required but will be included in a future contract. These services will include construction assistance such as answering questions that come up during construction and construction over site for the construction contract.

ANTICIPATED START DATE: May 13, 2011

ANTICIPATED COMPLETION DATE: December 31, 2012

PRIMARY PREQUALIFICATION CLASSIFICATION:

Complex Bridge

SECONDARY PREQUALIFICATION CLASSIFICATION: N/A

DBE REQUIREMENT: N/A

MDOT PROJECT MANAGER:

Phil Grotenhuis, Project Manager
MDOT – Design Division
Van Wagoner Building
425 W. Ottawa Street
P.O. Box 30050, Lansing, MI 48909
Ph: (517) 335-6778
Fax: (517) 335-2731
E-mail: grotenhuisp@michigan.gov

The Consultant shall contact the Project Manager prior to beginning any work on this Project.

CONSULTANT RESPONSIBILITIES:

- A. The Consultant will advise the Project Manager in writing of any costs associated with the assistance and a completion date of the work. The written response shall state the work to be completed, the name of the requester of the work, the completion date of the work and the estimate of hours and related cost to complete the work. If expediency is required, the Consultant will send the written response via a facsimile. The requirement for a written response may be waived at the discretion of the Project Manager. However, any verbal authorizations shall be recorded in the log of work.
- B. Responses to the design issue(s)/question(s) from the Consultant shall be in writing to the Project Manager. The Project Manager will forward a copy to the MDOT Project Engineer.
- C. A plan revision may be required for changes to the design plans. If so, the Consultant will submit a completed plan revision, including Form 291, to the Project Manager.

MDOT RESPONSIBILITIES:

- A. Provide the design, contract drawings and the specifications for review.
- B. Provide access to the bridges as needed.
- C. The Project Manager will authorize the Consultant to perform the design services, if required. The Consultant shall keep a log of work performed along with a copy of all verbal contact records, correspondence, etc.

CONSULTANT PAYMENT – Actual Cost Plus Fixed Fee:

Compensation for this project shall be on an **actual cost plus fixed fee** basis. This basis of payment typically includes an estimate of labor hours by classification or employee, hourly labor rates, applied overhead, other direct costs, subconsultant costs, and applied fixed fee.

All billings for services must be directed to the Department and follow the current guidelines. The latest copy of the "Professional Engineering Service Reimbursement Guidelines for Bureau of Highways" is available on MDOT's website. This document contains instructions and forms that must be followed and used for billing. Payment may be delayed or decreased if the instructions are not followed.

Payment to the Consultant for services rendered shall not exceed the maximum amount unless an increase is approved in accordance with the contract with the Consultant. Typically, billings must be submitted within 60 days after the completion of services for the current billing. The final billing must be received within 60 days of the completion of services. Refer to your contract for your specific contract terms.

Direct expenses, if applicable, will not be paid in excess of that allowed by the Department for its own employees in accordance with the State of Michigan's Standardized Travel Regulations. Supporting documentation must be submitted with the billing for all eligible expenses on the project in accordance with the Reimbursement Guidelines. The only hours that will be considered allowable charges for this contract are those that are directly attributable to the activities of this project.

The use of overtime hours is not acceptable unless prior written approval is granted by the MDOT Region Engineer/Bureau Director and the MDOT Project Manager. Reimbursement for overtime hours that are allowed will be limited to time spent on this project in excess of forty hours per person per week. Any variations to this rule should be included in the priced proposal submitted by the Consultant and must have prior written approval by the MDOT Region Engineer/Bureau Director and the MDOT Project Manager.

The fixed fee for profit allowed for this project is 11.0% of the cost of direct labor and overhead.
