

Traffic and Safety Design Services for Signal Modernization QA1
REQ # 818

1/18/2012

Q In order to help gain a better understanding of the scope of services required, will base plans and preliminary plans be made available for consultant to review prior to the proposal due date.

A No, the selected Consultant will receive the preliminary plans to review prior to their price proposal submittal.

Q Will the noted project be considered for Pilot Project status if a consultant with a provisional prequalification is chosen?

A Yes, this project could possibly be considered as a Pilot Project if a consultant with a provisional status is chosen.
