

Research Program Assistance and Technology Transfer Management QA2
Requisition #746 12/6/2011

Q: I am planning to submit a proposal in response to the RFP on Research Program Assistance and Technology Transfer Management. The Consultant/Vendor Selection Guidelines indicate that vendors need to provide Form 5100I with proposals. However, the links to this form within the document do not work, and I did not find the form online among the others we need to submit at http://www.michigan.gov/mdot/0,4616,7-151-9625_21540---,00.html. Could MDOT please post Form 5100I for use with this RFP?

A: Form 5100I has been replaced with 5100J. Please use form 5100J found at the following link:
