Question 1: In reviewing the RFP we did not see a page limit noted. What is the page limit if any?

**Answer 1: There is no page limit however, clear and concise proposals are preferred and appreciated.**

Question 2: Would the firm conducting the T & R be precluded from participating on a concessionaire team or with MDOT in a Construction Inspection or Oversight role?

**Answer 2: The firm conducting the DRIC T&R is and will be precluded from participating on concessionaire teams that are formed for the DRIC project. The firm conducting the T&R is not precluded from bidding on this RFP if they are or will be performing construction inspection or oversight for the Michigan Department of Transportation for DRIC or any other MDOT project.**
