

**Environmental Specialist to Act on Behalf of MDOT as the Environmental Owners
Representative Consultant (EORC)**

Requisition #1785

QA 2

June 29, 2015

Question #1: Does the ORC hold the contracts with the selected sub-consultants or will they be contracted directly to MDOT but managed by the ORC?

Answer #1: The EORC will hold the contracts with sub consultants on their team identified in the RFP submittal.

Question #2: When the ORC assigns site investigations to qualified firms will this be limited to MDOT PSI qualified firms or would it include all firms qualified by MDOT for site investigations?

Answer #2: Subconsultants selected to perform Preliminary Site Investigations by the EORC are required to be prequalified with MDOT in the Site Investigation prequalification classification.
