

Specialty Services to update the airport pavement management system for various airports throughout the state –QA2

Requisition 2024

7/28/2016

Q: This project is identified as “Non-Prequalified Services” and Form 5100J is required with the proposal for all firms performing non-prequalified services on the project. If we are currently prequalified for services with Michigan, are we still required to submit Form 5100J?

A: Yes.
