Q: Will MDOT provide a list of bidders?

**A: MDOT will not provide a list of bidders for the Courtesy Patrol Program; however, the current contract is with Emergency Road Response.**

Q: Will the MI DOT accept an FCP sponsorship proposal directly which would then be implemented regardless of which company MI DOT selects to operate?

**A) At this time, MDOT will not accept a stand alone sponsorship proposal. Only those proposals for operating the entire Freeway Courtesy Patrol Program will be considered.**
