

Traffic and Safety Services in Macomb, Oakland and Wayne Counties QA1
Req. #774, 779, 780
12/2/2011

Question 1: Please clarify whether or not MDOT is providing the 24 hour hose counts and 8 hour turning counts for the three projects, or are the consultant firms required to do the traffic volume data collection.

Answer 1: The consultant firms are required to do the traffic volume data collection.
