

Michigan Department of Transportation

PA 63 of 2011 Section 354

On or before March 1, 2012, the department shall solicit and evaluate proposals for services related to the audit of vendor and contract payments and the recovery of overpayments and duplicate payments. The department shall report to the House and Senate Committees on Appropriations and the House and Senate Fiscal Agencies on the results of the proposal solicitation and results of the subsequent payment audits.

Cost Recovery Project Status Report 6/4/2012

The Michigan Department of Transportation and ACLR, LLC have entered into a 5-year term contingency based contract to perform cost recovery audits.
