Reporting Requirements for FY 2011 Operating Appropriation Act

In accordance with Act 192, Public Acts of 2010, Section 612, the department is required to report on incentives and disincentives provided for under contract for state trunkline projects.

Per Section 612, attached is the listing of projects where the contractor completed the work on the trunkline in time to qualify for the incentive. The listing also identifies projects where the contractor did not meet the timelines and a disincentive was imposed.
