Subject: March 2016 Unassigned Bridge Inspections

The following list of agencies currently have unassigned NBI inspections in MiBRIDGE that are due during March or earlier. This message is being provided in accordance with Bridge Advisory BA-2014-03. In order not to receive subsequent monthly notifications, bridge owners should assign their inspections to an inspection team leader one month prior than the month they are due. This includes local agencies who perform inspections with internal inspection team leaders or bridge owners that perform the work themselves. For questions concerning this message please contact MDOT-BridgeInspection@michigan.gov.
