Mr. John S. Roberts, Director
State Budget Office

Romney Building, 6th Floor
Lansing, Michigan 48933

Dear Director Roberts:

Pursuant to Section 385 of Public Act 59 of 2013, this letter contains the report of the Michigan Department of Transportation (MDOT) as to its New International Trade Crossing (NITC) related activities for the third quarter of Fiscal Year (FY) 2014, or April 1 through June 30, 2014.

During that time, MDOT has responded to NITC-related requests for information from Governor Snyder's office, legislative offices, Transport Canada, the United States Department of Transportation, and other federal agencies. We have continued to participate in meetings, where needed, in order to facilitate these requests, and work with Transport Canada to implement the June 2012 Crossing Agreement.

Enclosed is a summary of NITC-related expenditures by MDOT during the third quarter of FY 2014. The funding source for these expenditures is a mixture of federal highway and reimbursable state matching funds. There have been no NITC-related payments or expenses incurred by MDOT pursuant to contracts with any vendors, experts, or consultants.

If you have any questions, please contact either me or Frank Raha, Commission Advisor, at (517) 373-3946.

Sincerely,

Kirk T. Steudle
Director
