

## ProjectWise Explorer Mobile installation and instructions

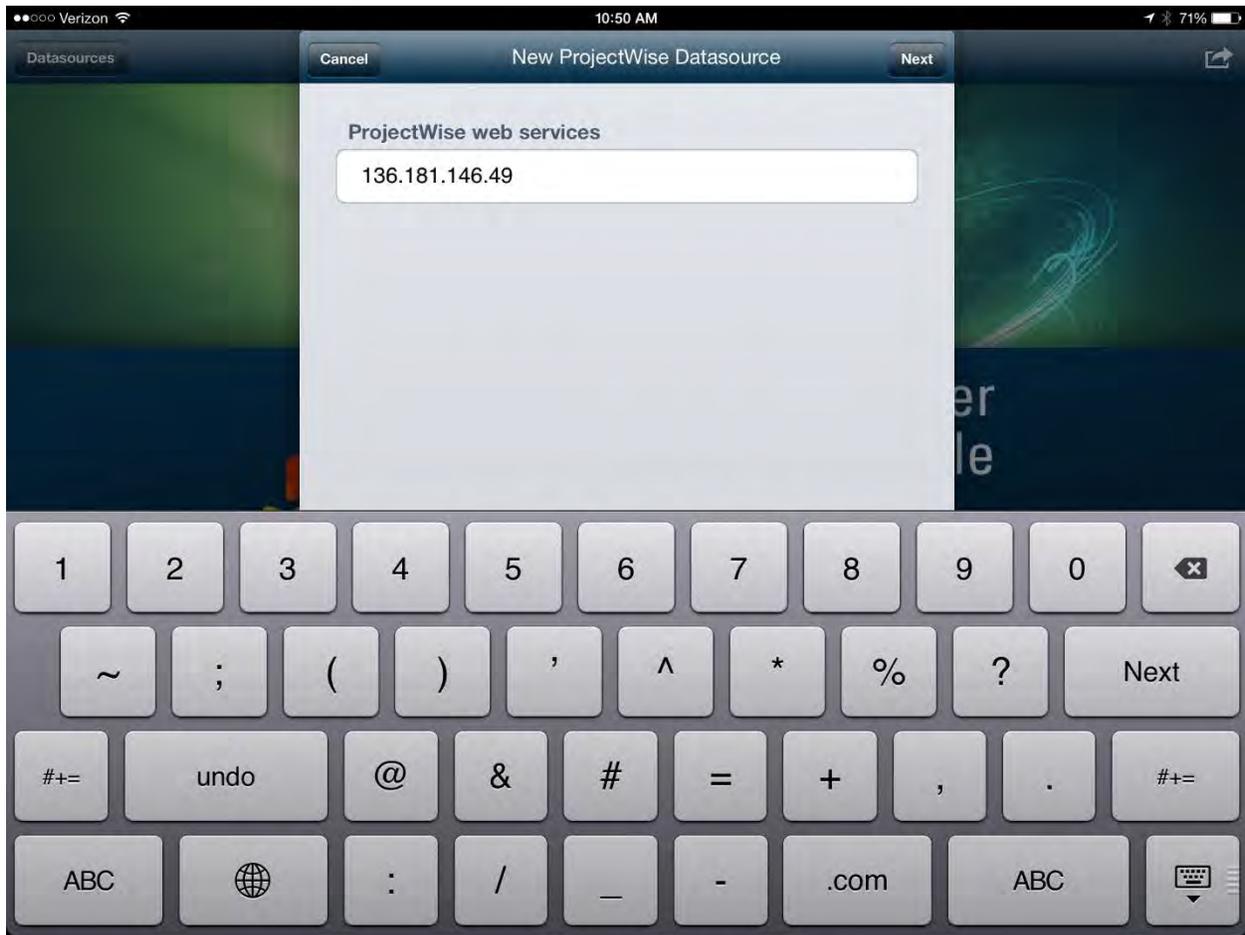

Download ProjectWise Explorer Mobile from the iTunes App Store. It is a free app but only available for the iPad.

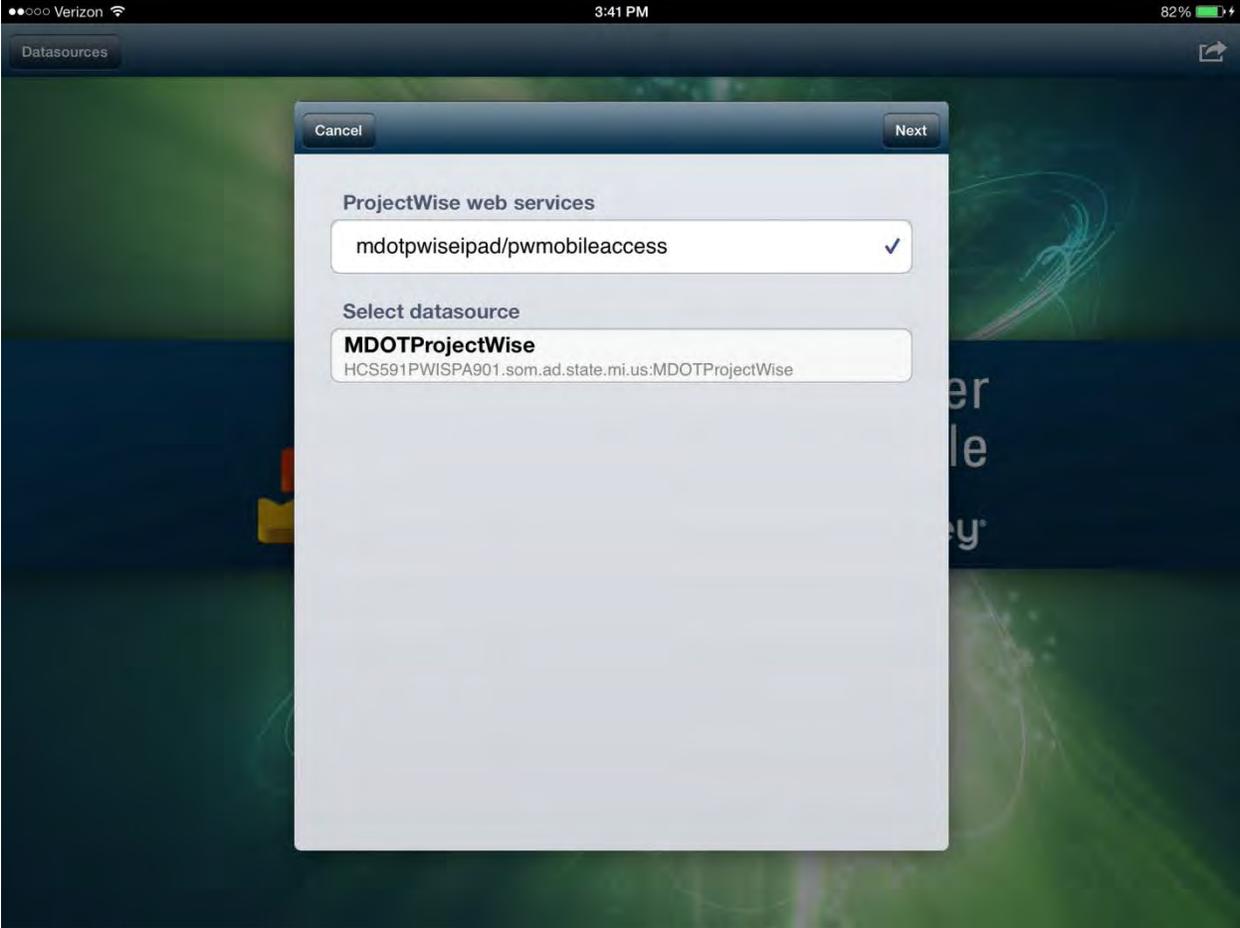

Opening the program will get you here.

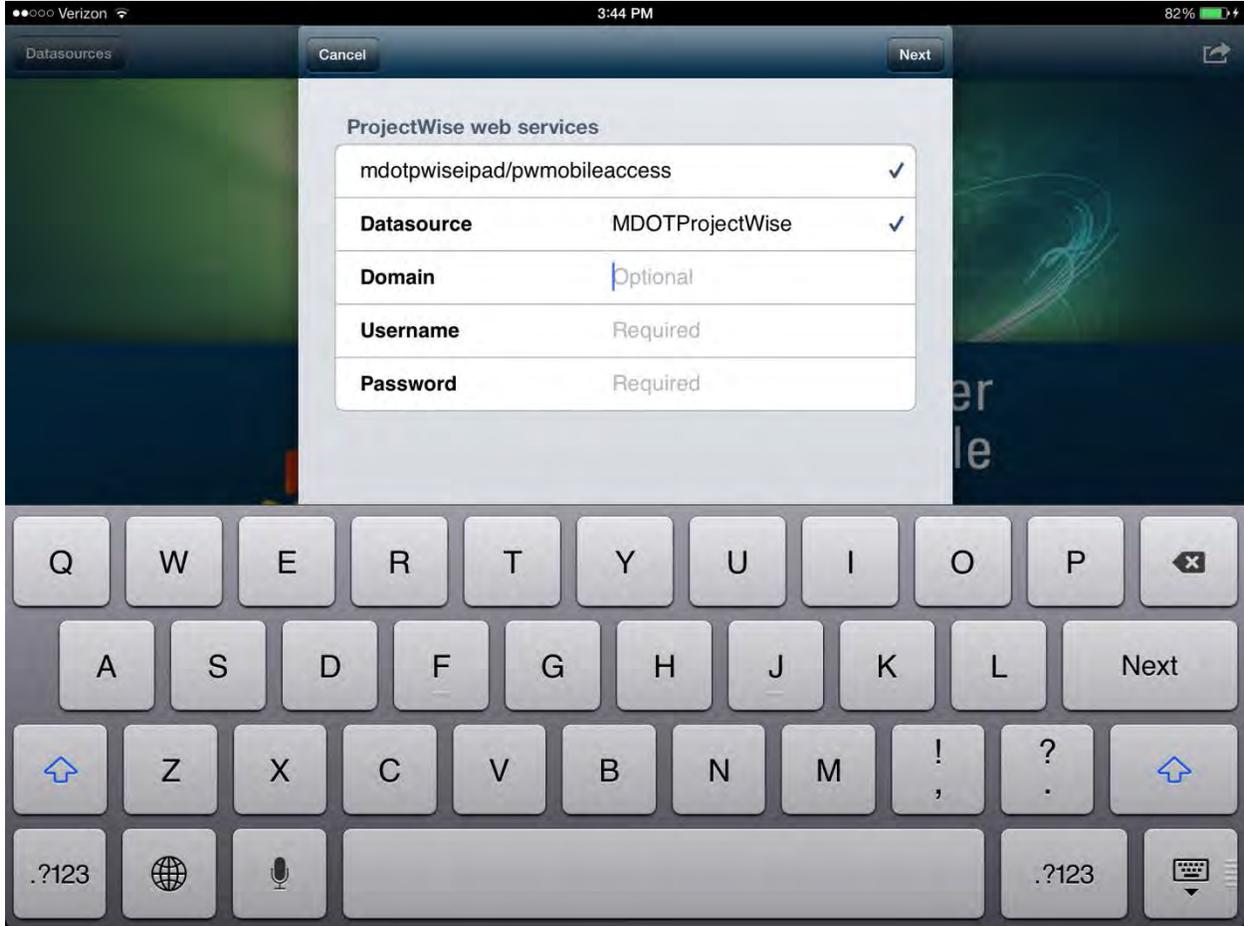

Tap the “Connect to your projects” button and enter “136.181.146.49”.

The app will attempt to connect you to MDOT's ProjectWise data source. If successful tap the MDOTProjectWise field under Select datasource and hit next.

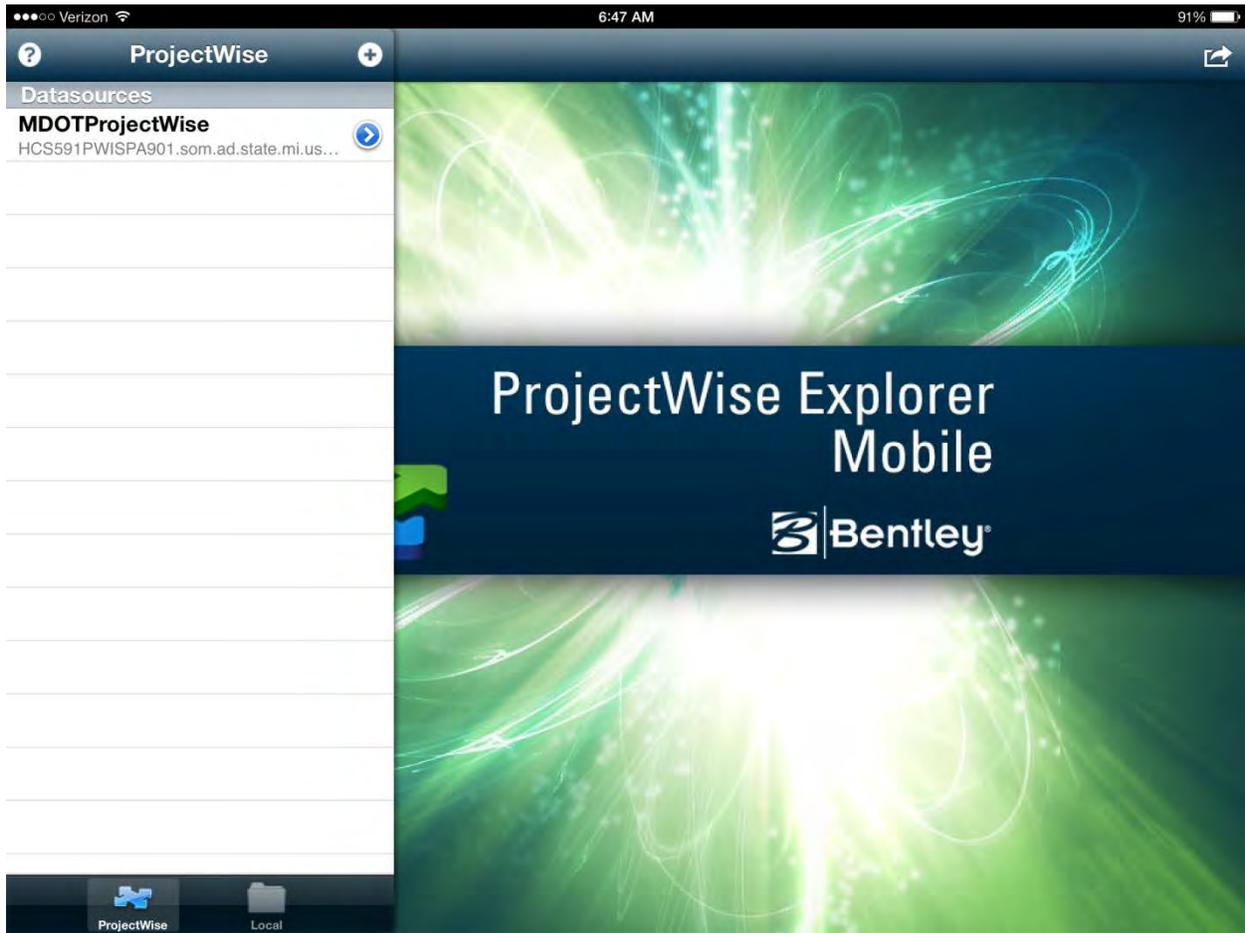

You will then be prompted to login. If your login is associated with a State of Michigan account you must enter "SOM" in the Domain field. Other users will leave this field blank. After you have entered your username and password, hit the next button to login.

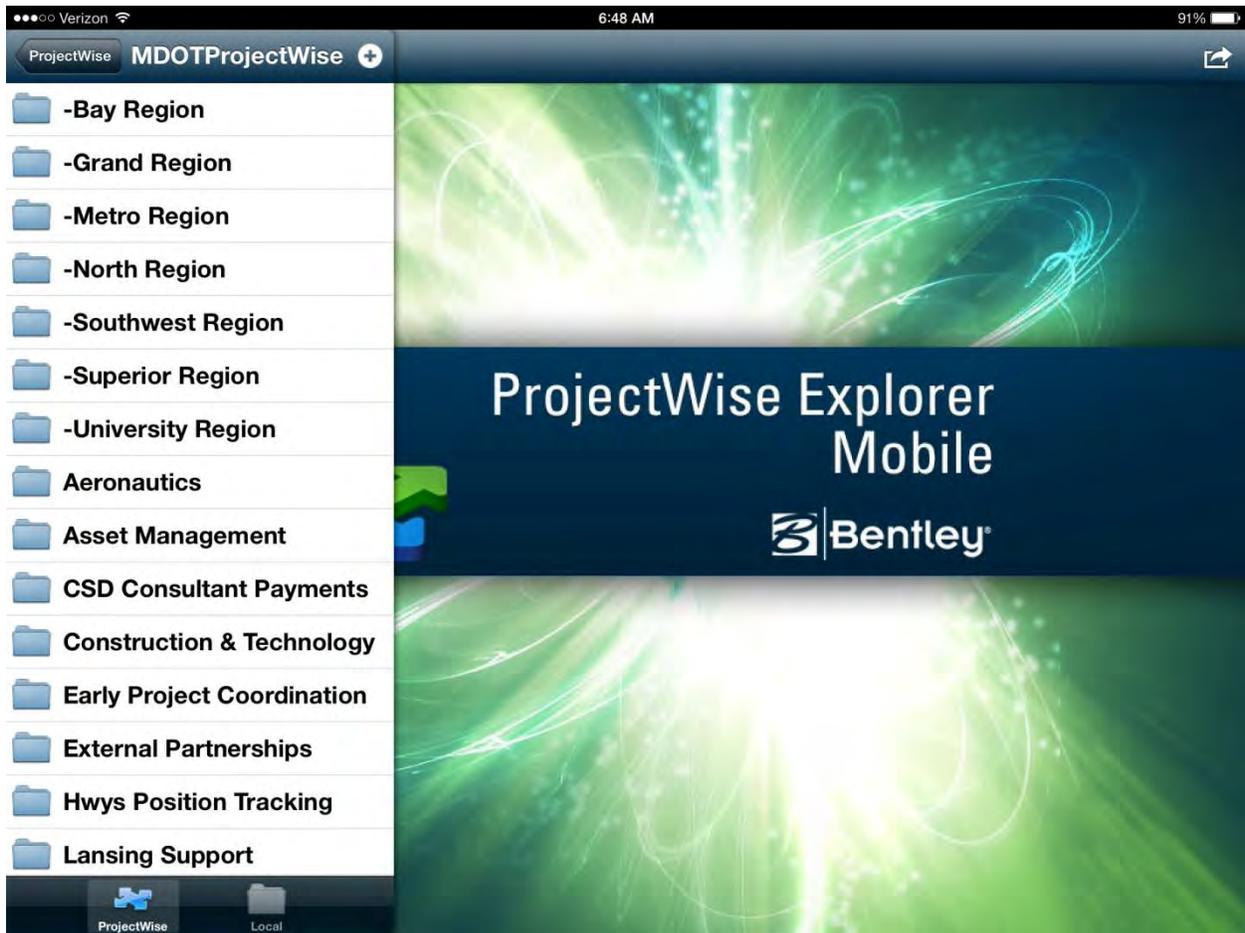

Hit the Datasource button to access the system.

You will see the MDOTProjectWise datasource. The question mark accesses ProjectWise Explorer Mobile Help. Tap "MDOTProjectWise to see the data shown on the next screen..

Tap the folder to drill down to your document.

Tap on the name of the file you want to view and it will appear in read-only mode.
