The Honorable Paul Opsommer, Chair  
Standing Committee on Transportation  
Michigan House of Representatives  
P.O. Box 30014  
Lansing, Michigan 48909

Dear Senator Casperson and Representative Opsommer:

Public Act 298 of 2012, formerly known as House Bill 5007, requires the Michigan Department of Transportation (MDOT) to develop performance audit procedures and reporting requirements sufficient to determine whether funds expended under section 12 of Public Act 51 of 1951, as amended by Public Act 298 of 2012, were expended in compliance with this act, by September 1, 2012. This letter is intended to apprise you that MDOT has accomplished this requirement.

Sincerely,

A handwritten signature in black ink, appearing to read "Kirk T. Steudle".
