## What Is Being Done?

The Michigan Department of Transportation (MDOT) will be reconstructing the US-12 bridge over Swan Creek east of Bronson.

## When Will This Be Done?

Construction is scheduled to begin July 5, with completion expected in October.

## How Will Traffic Be Affected?

US-12 traffic will be detoured around the bridge construction on M-66 and M-86.

## Long-term Benefits

The bridge reconstruction project supports the creation of jobs, growth of the economy, preservation of the environment, and the safety and security of the transportation system.

MDOT reminds motorists to drive like you want to make it home tonight.
