

**US-12 Operational Improvements near Willow Run (DB)**  
**Questions and Answers #2**  
**08/30/2016**

- Q1.** Since the description seems to indicate that the railroad bridge work would be preventative maintenance, would it be possible to move the Design – Bridges: Railroad prequalification category from primary to secondary or remove it altogether?
- A1.** The Design – Bridges: Railroad prequalification does not apply and will be removed. An updated Project Information Sheet will be posted.
