Question 6: The draft proposal included with the RFQ indicates a North Bound (NB) structure completion date of October 31, 2014. This schedule will be difficult to meet due to the August 14th deadline for complete structure closures. Is MDOT going to revise the progress clause?

MDOT is currently in the process of revising the progress clause to include work on both NB and SB structures in 2015. MDOT is aware of the time limitations resultant from a May letting and will have a finalized progress clause and MOT prior to the project being advertised.

Question 7: If a graphic cover is used for the Statement of Qualifications (SOQ), will it count toward the 12 page limit?

No. A graphic cover page will not count toward the 12 page limit as specified in section 5.2 of the RFQ.

Question 8: Will an introduction letter count toward the 12 page limit?

Yes. An Introductory letter will count toward the 12 page limit as specified in section 5.2 of the RFQ.
