118271A & 119802A  
Q&A #4  
08/13/14**

(Q) With reference to Para 2.4, page 3, Net classification required for this project is Project Specific Prequalification. Does a Submitter have to be a MDOT Pre-Qualified Contractor to submit a Statement of Qualifications package for the referenced project?

(A) A submitter doesn't have to be a MDOT Pre-Qualified Contractor to submit a Statement of Qualifications package. As indicated on section 1.1, page 1 of the RFQ document, MDOT will evaluate the Statement of Qualifications package to determine which submitters are qualified to bid on the project. All qualified bidders will be required to adhere to the Electronic Bidding Requirements listed on the MDOT website, as stated on section 6.0, page 6 of the RFQ document.
