

Woodward Avenue Streetcar Project

PUBLIC MEETING

Tuesday, August 21, 2012

3 p.m. to 7 p.m. (stop by anytime)

MSU Detroit Center, 3408 Woodward Ave., Detroit

Much has happened since federal and local agencies completed a study a year ago for proposed transit improvements along the Woodward Avenue corridor in Detroit. This meeting will update the public on the progress to date and next steps. View displays, meet the team, and become informed about the latest proposed mobility options for this important corridor. The facilities are

handicapped accessible and located on a transit line. With advance notice of 7 days, accommodations can be made for persons with disabilities and/or limited English speaking ability, and persons needing auxiliary aids or services of interpreters, signers, readers or large print. Call 517-373-9534.
