## What Is Being Done?

The Michigan Department of Transportation (MDOT) will be repaving more than 7 miles of M-140 from the Paw Paw River north of Watervliet, Berrien County, to 30th Avenue/ County Road 378 in Covert Township, Van Buren County. Construction includes guardrail, sidewalk, curb and gutter replacement, and bridge approach reconstruction.

## When Will This Be Done?

Construction is scheduled to begin in May with completion in July.

## How Will Traffic Be Affected?

Traffic will be maintained under flag control. One lane of the M-140 bridge over the Paw Paw River will be open with a temporary traffic signal.

## Long-term Benefits

The road and bridge project supports the creation of jobs, growth of the economy, preservation of the environment and the safety and security of the transportation system.

MDOT reminds motorists to drive like you want to make it home tonight.
