

Thank Your Mentor Day

Pass It On...

Do you have a mentor in your life? Let them know how much they mean to you on January 21, 2010 - Thank Your Mentor Day.

As part of the annual Michigan Mentoring Month, Thank Your Mentor Day provides you with the chance to show your mentor how much they have impacted your life in a positive way.

Ways to Thank Your Mentor:

- **Contact Them:** Get in touch via phone, email, card, or letter.
- **Pass It On:** Honor the person who mentored you by becoming a mentor yourself.
- **Write a Tribute:** Document the importance of your mentor and submit it to the newspaper, radio or TV station, or post it online at www.whomentoredyou.org.
