

MENTORING ACTIVITY IDEAS

These days, mentors and mentoring programs are experiencing more and more budget restrictions. When money is tight, it's easy to get stuck in a rut doing the same activity every week. It doesn't have to be that way! Mentor Michigan is collecting activity ideas from mentors, mentees, program staff, youth development professionals, teachers, and anyone who has an idea to share. These activities will be shared via the Mentor Michigan web site to provide an easy way for program staff and mentors to access ideas for weekly match meetings and program activities. We need your great ideas!

Please fill out all sections of this form and send it to vasilionk@michigan.gov and your organization will be entered into a drawing for a Flip Video camera. You may send in multiple ideas and your organization will be entered in the drawing for each form you complete. There is no limit to the number of activities that you can submit. If your activity requires any worksheets, please send them as well. Thank you for helping us create a powerful resource to support mentoring in Michigan!

Submissions are due July 2, 2009. Drawings will be held on June 15 and July 2. Activities submitted by June 15 will be entered in both drawings.
