**ORDER GRANTING HAZEL PARK RACING ASSOCIATION, INC.,
D/B/A HAZEL PARK HARNESS RACEWAY A
2014 RACE MEETING LICENSE
AND 2014 SIMULCAST PERMIT**

Hazel Park Racing Association, Inc., d/b/a Hazel Park Harness Raceway, filed an application on August 29, 2013, for a 2014 Standardbred Race Meeting license and a 2014 Simulcast Permit with the Executive Director of the Michigan Gaming Control Board. The application was filed under the Horse Racing Law of 1995, Public Act 279 of 1995; MCL 431.301 *et seq.*, and the promulgated administrative rules. On September 27, 2013 the Hazel Park Racing Association submitted an amendment to their application to include Thoroughbred and mixed breed race meeting licenses. On October 21, 2013 the Hazel Park Racing Association submitted a significant and untimely second amendment to their application to decrease live race days from 44 to 10.

Under Executive Order No. 2009-45 the powers and duties of the Office of Racing Commissioner were transferred to the Executive Director of the Michigan Gaming Control Board including regulating pari-mutuel wagering, licensing, issuing final agency decisions on all contested case hearings, and the promulgation of agency rules. The Executive Director may also delegate his powers in writing to another.

The Executive Director, through the Michigan Gaming Control Board – Horse Racing Section, has investigated and evaluated the applicant and its application in this matter. The Executive Director has determined and concluded that the applicant complies with the standards and the requirements for granting a race meeting license and simulcast permit under the Act and the Administrative Rules. The licensee, however, is subject to the terms and conditions set forth below.

IT IS ORDERED, as follows:

The Executive Director hereby grants the application of the licensee for a 2014 Race Meeting license at Hazel Park Harness Raceway for the 44 live race days requested in the original application. The 2014 Race Meeting license granted and issued hereunder shall be valid and continue in full force and effect from January 1, 2014, through December 31, 2014, unless hereafter suspended or revoked by order of the Executive Director. The untimely second amendment to the application received on October 21, 2013, requesting the reduction of live race days from 44 to 10 is denied as insufficient time was provided to properly review or consider such request, and based on the current record, including testimony taken at the dates hearing there is insufficient reason to merit such reduction.

The 2014 Race Meet license is conditioned upon the terms in this order, compliance with the Act, the Administrative Rules, orders of the Executive Director, and all other applicable local, state and federal laws.

1) Additionally, the licensee must adhere to the following:
