SERVICES!**

Our annual conference is the perfect place to meet leading professionals and advocates from the aging and disability networks. Sponsors receive an exhibit space in the same large ballroom that accommodates meals, refreshment breaks and general sessions. Attendees visiting every exhibit can win prizes. We have applied for continuing education credits for nurses, social workers, nursing home administrators, and adult foster home owners and administrators.

Sandy Markwood, Executive Director of the National Association of Area Agencies on Aging, will speak on Project 2020, a campaign energizing the nation's aging network. More than 20 workshops will be offered, including person-centered thinking, self-directed care, affordable housing, Medicaid eligibility, etc.
