This conference is the perfect place to meet professionals and advocates from the aging and disability networks. All sponsors receive an exhibit space and participants visiting every exhibit can win prizes. We have applied for continuing education credits for nurses, social workers, nursing home administrators, and adult foster home owners and administrators.

Our Silver Anniversary Conference has a new format with morning-long general sessions, luncheons with no speakers, and more time for participants to interact with sponsors and visit exhibits. General sessions will explore two hot topics — integrated care for dual eligible beneficiaries and preventing rehospitalizations. Afternoon workshops will cover other issues, including: dental care; baby boomer housing preferences; caregivers; pain management and more.

• • • **Sponsorship Levels** • • •
