2014-2015 ANNUAL REPORT

Message from the DIRECTOR

I am pleased to share with you what Student Scholarships and Grants (SSG) within the Michigan Department of Treasury-Student Financial Services Bureau has accomplished during the 2015 fiscal year (FY). The following report provides information about funds administered, number of Michigan students awarded, and outreach efforts.

Our goal during FY15 was to build partnerships with college access professionals, high school counselors, financial aid professionals, and community organizations to inform Michigan students and families about aid programs which assist with affording postsecondary education. We believe that postsecondary education is **accessible, affordable, and achievable**.

During FY15 (Academic Year 2014-15), SSG:

- Administered aid funds to 71,726 Michigan students for postsecondary education financial assistance.
- Disbursed over \$104 million in aid to Michigan students.
- Launched a new data management system, MiSSG, allowing us to modernize while making improvements to customer service.
- Participated in President Obama's FAFSA Completion initiative and the First Lady's Reach Higher initiative; and worked to support Michigan high school counselors and college access professionals.
- Increased outreach efforts (see page 29 of the annual report).

Sincerely,

Carla Foltyn, Director
