

Doth the funnels make war with the paintwork?

Do the decks to the cannon complain?

Nay, they know that some soap or a scraper

Unites them as brothers again.

Do ye, being Heads of Departments,

Do your growls with a smile on your lip,

Lest ye strive and in anger be parted,

And lessen the might of the ship.

From "The Laws of the Navy" by
Admiral R.A. Hopwood, R.N. (ret.)

Continuous Improvement of Your Integrity Management Program

Sean Bingham

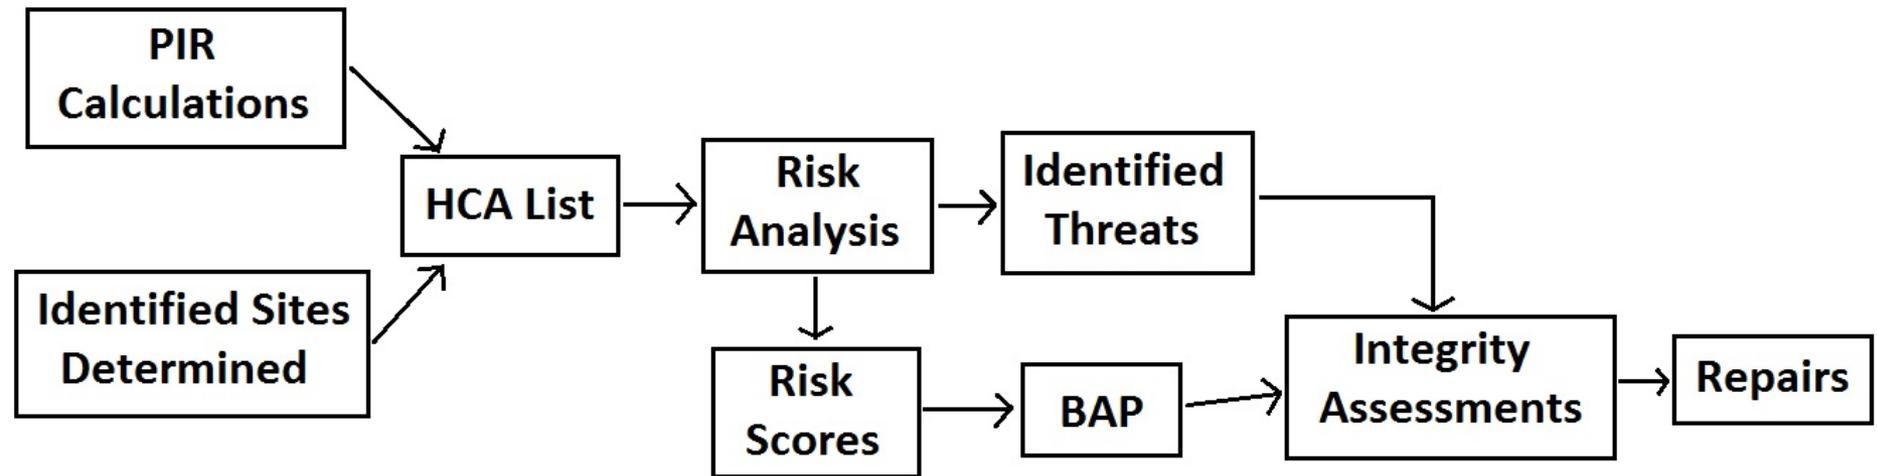

Basic IMP Process

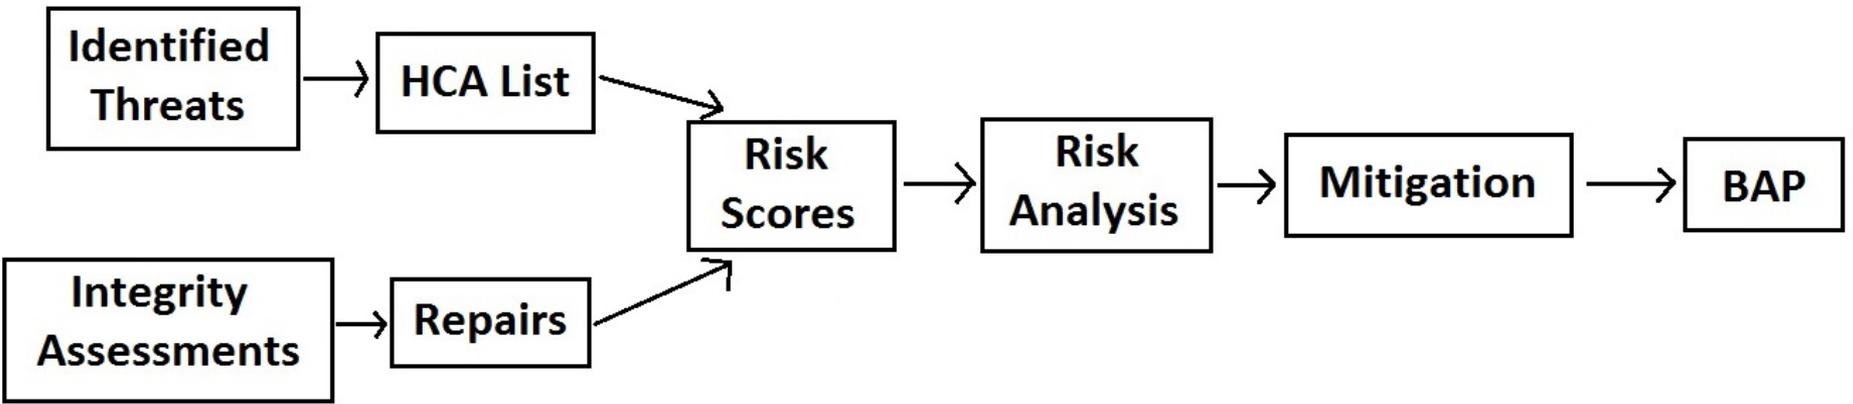

Requirements

- The Reactor Controls division must maintain an audit & surveillance program. (RPM)
- An operator must make continual improvements to the program. (192.907)

Basic IMP Process

Alternate IMP Process

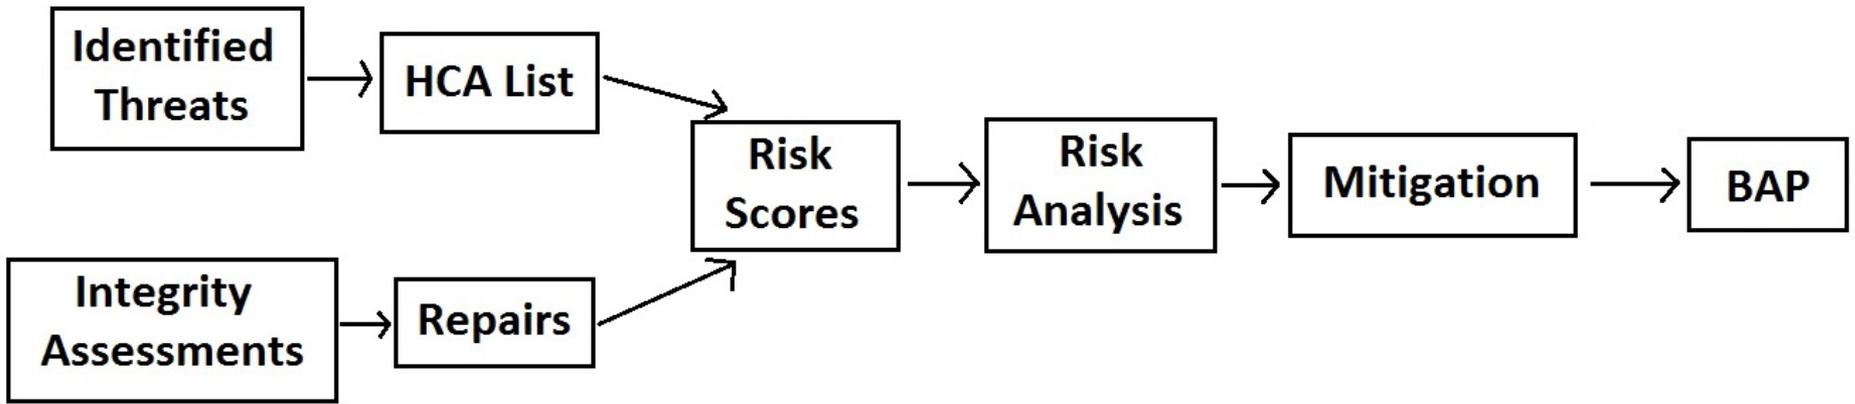

Unless I hear all the arguments concerning an action, I am not sure whether I have made the right decision or not.

-Gen George C. Marshall

Alternate IMP Process

- How have completed repairs impacted an HCA's risk score, and how can this be applied to other HCA's?

Diversity of thought is the best way to achieve continuous improvement.
