

Lighthouse Emergency Services 2016 MEAP Grant

Grant Award: \$300,000

Service Area: Oakland County

Anticipated Reach: 442 Households

Lighthouse Emergency Services (Lighthouse) is continuing its existing energy assistance program that is designed to identify the immediate crisis of potential disconnection, followed by an in-depth interview session to identify the source of the crisis, and develop a plan to prevent the crisis from reoccurring and assist the client to move toward self-sufficiency.

Program Details

- Intake process is approximately 75 minutes; basic information obtained and eligibility verified.
- In-depth assessment of personal and financial situation; financial education.
- Client is asked to commit a portion of their own funds toward resolving the crisis, if possible.
- Clients can receive assistance for each type of utility only once during the 12 month grant term.

Additional Services

- Transportation assistance, emergency food, personal needs items, diapers and baby food.
- Crisis Resolution Program
- Center for Working Families
- Senior Services Program
- Supportive Housing Program
- For additional information see Lighthouse's website at: www.lighthouseoakland.org

Partners

- Oakland County Alliance for Housing Continuum of Care
- Oakland Livingston Human Service Agency – weatherization, energy education
- United Way of Jackson County –CARE program
- Enroll America
