

Michigan Community Action Agency Association

Grant Award: \$9,000,000

Service Area: Statewide

Anticipated Reach: 4,650 Households

Michigan Community Action Agency Association (MCAAA) is sub-contracting with its network of 29 Community Agency Agencies (CAAs) to implement its Community Action Empowerment Model that includes bill payment, weatherization, energy efficiency measures, and energy use education to help low-income households permanently reduce energy bills and move toward self-sufficiency.

Program Details

- CAAs determine eligibility, enroll participants in program, perform intake capacity and needs assessment, and develop client action plan/self-sufficiency plan.
- CAAs provide case management, energy education assessment, and budgeting and financial literacy services.
- CAAs provide follow-up services for program participants to determine changes in household stability.
- Energy bill payments for qualified households up to \$3,000 (not to exceed six payments during the program year).

Additional Services Offered

- CAAs provide varying wraparound services and programs such as: free tax preparation; minor home repair; mortgage assistance; early childhood education and childcare; commodity food and emergency food; in home care; transportation, and clothing.
- For additional information visit MCAAA's website at www.mcaaa.org

Partners

- Community Action Agencies
- Salvation Army (working together to avoid duplication of services, and develop collaborative outreach and educational materials)
- Bureau of Community Action and Economic Opportunity (working together to distribute deliverable fuel funds)
- DTE Energy

Contact

- See attached for CAA service locations, hours and contact information.
