Society of St. Vincent de Paul of the Archdiocese of Detroit (SVdP) provides energy assistance to low-income households utilizing a systemic change program launched nationally by SVdP. The objective is to work with clients focusing on inputs that will help move them toward self-sufficiency, directing them to resources on budgeting that will enable them to make provisions for energy expenses, and to understand income vs. expenses.

Program Details

- SVdP volunteers visit clients at their home or schedule an interview at the closest conference/church/agency; application completed and clients screened for eligibility
- Voluntary Commitment Form, Energy Efficiency – Home Audit Checklist, and Budget Worksheet reviewed with client along with a resource guide.
- Utility payment in the last six months required; if client is unable to make a payment hardship letter required.
- Energy assistance available up to \$1,500 for a single utility, and \$3,000 for combined electricity and natural gas.
- Eligible clients may receive assistance for the same utility as many times as needed up to the payment cap.
- For more information and program details visit SVdP's website at: www.svdpdet.org/need-help/energy-assistance/.

Additional Services Offered

- Assistance with medical bills, food, clothing, furniture, transportation, dental services, rent, water bills, tax preparation, legal aid, and other programs that meet the essential needs of the underserved.
- HOPE (Helping Others Prosper through Empowerment) Initiative program addresses issues that cause households to experience poverty; plans to implement program within specific city of Detroit zip codes.
- Referral to agencies that provide additional wraparound services.
- Referrals to agencies offering weatherization and education focused on reducing energy consumption such as:
 - DTE Energy free energy consultations
 - EcoWorks energy education workshops
 - Consumers Energy's Everyday Actions Save Energy (EASE) program
 - CLEAResult, Michigan Neighborhood Weatherization Initiative

Partners

- The Heat and Warmth Fund (SafetyNet)
